

**FFY 2012 State Plan Update – Attachment 4.11(c)(4) Goals and Plans for Distribution of Title VI, Part B Funds**

Specify the state's goals and priorities with respect to the distribution of funds received under section 622 of the Act for the provision of supported employment services.

DSHS/DVR received approximately \$460,000 in Title VI, Part B funds in FY 2010. These funds were distributed in case service allotments to fund supported employment services under individualized plans for employment (IPEs). It's unclear at this time what level of funds DSHS/DVR will have for the FFY 2011 grant year. If the level of grant funds continues to remain consistent from year to year, DSHS/DVR can continue to serve approximately 275 individuals in IPEs with a supported employment goal and to achieve approximately 200 supported employment outcomes per year.
