AL TSA: NH Rates #2024-002
RE: JULY 1, 2024 MEDICAID PAYMENT RATE

Dear Nursing Facility Administrator:

The July 1, 2024 Medicaid payment rate for your facility is attached.

The Department calculated your facility's July 1, 2024 Direct Care adjusted rate using your facility's 1 Semiannual 2024 Case Mix Report using the Patient-Driven Payment Model (PDPM) Nursing Component.

For your July 1, 2024 Quality Enhancement rate, the Department used the most recently available four-quarter average CMS quality data, which for this rate setting is Quarters One through Four of 2023. Thus, your facility's quality measure component may have changed.

Additionally for July 1, 2024:

- The Capital Component has been rebased from 2022 data to 2023.
- Per Legislative Session 2024 ESSB 5950:
 - The Direct and Indirect Care Medians have been rebased from 2021 costs to 2022 costs.
 - The DC Median was calculated using the PDPM Nursing Component for the four quarters of 2022.
 - The Direct Care and Indirect Care Medians are increased for a 5% inflationary adjustment.
 - The Indirect Care Median occupancy was calculated at 80%.
 - The per facility Wage Equity Funding is included in the Direct Care final rate.
 - The per facility Wage Equity Funding is included in the Indirect Care final rate.
 - In order to transition to PDPM, each facility will receive at minimum a 9% increase in their Direct Care July 1, 2024 rate compared to their Direct Care June 30, 2024 rate. In order to implement this in a budget neutral way, each facility's increase is capped at 15-16% compared to their Direct Care June 30, 2024 rate.

The COVID-19 add-on is removed. The \$0.76 Minimum Wage Add-On and \$3.84 Inflation Add-On will continue in your July 1, 2024 rate.

The SNA exemption for high Medicaid utilization threshold is the same at 26,000 days. This threshold is one of a number of exceptions that set a facility's SNA rate to \$1.

If you wish to request an administrative review conference in relation to your July 1, 2024 rate or any subsequent adjusted rate, please keep in mind WAC 388-96-904, the regulation that controls such requests. The regulation provides in part:

(1) ...The contractor's request for administrative review shall:

- (a) Be signed by the contractor or by a partner, officer, or authorized employee of the contractor, within twenty-eight (28) calendar days after receiving the notice of the rate;
 - (b) State the particular issues raised; and
 - (c) Include all necessary supporting documentation or other information.
- (2) After receiving a request for administrative review conference that meets the criteria in subsection (1) of this section, the Department shall schedule an administrative review conference. The conference may be conducted by telephone.
- (3) At least fourteen calendar days prior to the scheduled date of the administrative review conference, the contractor must supply any additional or supporting documentation or information upon which the contractor intends to rely in presenting its case. In addition, the Department may request at any time prior to issuing a determination any documentation or information needed to decide the issues raised, and the contractor must comply with such a request within fourteen calendar days after it is received... The Department shall dismiss issues that cannot be decided or resolved due to a contractor's failure to provide requested documentation or information within the required period.
(Emphasis added)

The Department will enforce this regulation in responding to requests for administrative review. Requests that are not properly signed, that do not state the issues with particularity, or that are not supported by the required documentation or information, will be denied or dismissed. Mail your appeal to the Office of Rates Management at: P.O. Box 45600, Olympia, WA 98504-5600. Do not mail your appeal to our physical address of Blake West 4450 10th Ave SE, Lacey, WA 98503. Ground carriers such as UPS and FedEx can deliver to the physical address, but the Post Office will not.

If proof of the date of receipt of the Department's rate notification letter exists, then that date shall be used to determine the timeliness of your request for an administrative review conference. If there is no proof of the date of receipt of the Department's rate notification letter, then you will be deemed to have received notice by July 1, 2024 in accordance with WAC 388-96-904 (1).

If you have questions about your rate, please contact your analyst. The facility/analyst list is available on our website at <https://www.dshs.wa.gov/altsa/management-services-division/nursing-facility-cost-reports>.
