**UPDATE TO RCS STAFF MASK WEARING IN LTC SETTINGS
DURING RESPIRATORY ILLNESS SEASON**

Dear Provider/Administrator/Superintendent:

This letter is to notify you that effective Monday, April 7, 2025, Residential Care Services (RCS) is rescinding the requirement that all RCS staff wear a procedure, surgical, or higher equivalent mask upon entry and while conducting on-site visits in long-term care (LTC) settings. This decision is based upon a review of current respiratory virus data, public health recommendations, and consideration of the vulnerabilities of residents/clients served in LTC settings.

Background: On September 16, 2024, you were notified RCS would implement a requirement for RCS staff to wear a mask when conducting onsite visits in LTC settings. This message coincided with the respiratory virus season and data which demonstrated increased viral transmission of COVID-19, and projected data regarding Influenza, and Respiratory Syncytial Virus (RSV). The message included notification RCS would reevaluate this decision in March 2025.

RCS Mask Wearing and Related Procedures

Starting Monday April 7, 2025, RCS staff:

- May choose to voluntarily wear a mask inside LTC settings.
- Will have agency-issued personal protective equipment (PPE) available for use as needed.
- Will comply with LTC setting's policy / procedure regarding masking and will don a mask upon request when in a facility or home.
- Will comply with current Centers for Disease Control and Prevention (CDC) and public health guidance where donning a mask is recommended (i.e., implementation of standard and transmission-based precautions).

AL TSA Provider Letter: UPDATE TO RCS STAFF MASK WEARING IN LTC SETTINGS
DURING RESPIRATORY ILLNESS SEASON

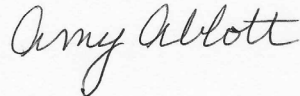

March 28, 2025

Page 2

RCS will continue to monitor respiratory virus data with consideration of public health recommendations and notify you of any changes to RCS staff masking procedures.

Thanks for your continued commitment to resident/client health and safety. If you have any questions, please contact Linda Dunn and Jamie Ford: ipc.epteam@dshs.wa.gov, or your local RCS field manager.

Sincerely,

A handwritten signature in black ink that reads "Amy Abbott". The signature is written in a cursive style and is centered within a light gray rectangular box.

Amy Abbott, Director
Residential Care Services
