**HCS INDIVIDUAL INTEGRATED SETTING CHECKLIST FOR RESIDENTIAL
PROVIDERS RESOURCE**

Dear Administrators and Providers,

The Department of Social and Health Services (DSHS) Home and Community Services (HCS) developed the Integrated Setting Checklist to support Adult Family Home (AFH), Assisted Living Facility (ALF), and Enhanced Services Facilities (ESF) in meeting the Home and Community-Based Setting (HCBS) setting requirements.

DSHS Form Number [16-280: Individual Integrated Setting Checklist for Residential Providers](#) is a tool designed to assist with meeting a selection of the requirements outlined in the HCBS rule published in the Code of Federal Regulations: [§ 441.530 Home and Community-Based Setting](#). This checklist is **optional** and may assist with compliance of the HCBS Rule. Administrators and Providers may find the checklist useful in determining areas of compliance, and identifying areas which require further attention.

Please feel free to begin using this form immediately. Questions regarding the HCBS Rule or use of the form may be sent to: hcsresidentialpolicy@dshs.wa.gov.

Sincerely,

Amy Abbott, Director
Residential Care Services
