TITLE: RESIDENTIAL PROGRAMS POLICY 6.04
REIMBURSEMENT SYSTEM

Authority: Chapter 71A RCW
Chapter 388-101 WAC

PURPOSE

This policy establishes procedures and criteria for cost reporting, rate setting and the settlement process for Division of Developmental Disabilities (DDD) contracted residential programs.

SCOPE

This policy applies to DDD contracted and certified residential programs.

DEFINITIONS

Administrative Staff means owners, officers or employees of the contractor, including executive directors, administrators, accountants, bookkeepers, clerical support and/or secretaries whose primary job functions require a majority of time for administrative, management and/or operational support. Administrative staff may also include corporate staff whose time is allocated to the contractor.

Arm's-Length Transaction means a transaction resulting from good faith bargaining between a buyer and seller who hold adverse positions in the market place. Arm's-length transactions are presumed to be objective transactions between disinterested parties (meaning neither the buyer or seller has a financial incentive to buy or sell at a price more or less than market value).

Client means a person who:

- (1) Has a developmental disability;
- (2) Is eligible under RCW 71A.10.020; and

- (3) Is authorized by DDD to receive residential services described in Chapter 388-101 WAC.

Client-Specific Staff Add-On means a staffing increase above and beyond the individual instruction and support hours required and allowed in the standard rate provision of a contract, enabling a service provider to increase the individual instruction and support hours provided to a specific client.

Contract means a contract between the department and a contractor for certified community residential services to clients as described in Chapter 388-101 WAC.

Contractor means an entity contracting with the department to provide certified community residential services to clients as described in Chapter 388-101 WAC.

Cost-of-Care Adjustment means a reimbursement adjustment intended to cover the necessary costs of non-variable staff support and administration to provide services to residents during a time when their residence is temporarily not at full capacity.

Department means the Department of Social and Health Services (DSHS) and its employees.

Division means the DSHS Division of Developmental Disabilities and its employees.

Fringe benefits means benefits provided at the employer's expense to all employees who qualify. These may include sick leave, health insurance, paid vacation, holiday pay, retirement plan, and other benefits.

Full Time Equivalent (FTE) means a total of 2,080 hours (52 weeks x 40 hours) worked by one or more employees during a twelve-month period.

Group Home Program is included within the meaning of residential services described in Chapter 388-101 WAC and contract provisions. For purposes of this policy, "Group Training Home" is synonymous with "Group Home."

Housing Costs for Overnight Coverage means the costs of providing an apartment unit or other dwelling used by staff when working 24-hour or longer duty shifts. The costs incurred by the program for these housing costs are client support costs, and not to be reported as Instruction and Support Services compensation.

Indirect Client Support Costs (ICS) include Maintenance/Repair expense for client's housing, Client Transportation Expenses and non-Instruction and Support Services Housing Costs for Overnight Coverage.

Instruction and Support Services (ISS) Staff means employees (including counselors, instructors and/or trainers) of the contractor whose primary job function is the provision of instruction and support services to clients. ISS staff shall include employees (e.g., program managers and supervisors) of the contractor whose primary job function is the supervision of ISS staff. The division may request job descriptions for employees to verify the primary duties of the positions. Paid hours worked and payroll costs charged to ISS for cost reporting purposes must be verifiable in the agency's payroll records. The number of ISS paid hours reported for any individual employee or owner of an agency must not exceed 3,120 hours per year (designated live-in staff are exempt from this limitation). ISS staff shall also include contracted personnel whose job function is the provision of instruction and support services.

Instruction and Support Services (ISS) means client services required by Chapter 388-101 WAC and contract provisions. ISS are provided by staff designated as ISS staff (see definition above). ISS may also be provided by the administrator as described in this policy and by other administrative personnel (such as bookkeepers, accountants or maintenance workers) if the provision of ISS is included in their job description.

ISS Hours include:

- On the job hours worked by staff designated as ISS staff, including related training time.
- For staff who perform both administrative functions and ISS, the agency may include that portion of the employee's hours that are dedicated to ISS functions.
- The administrator's hours worked as ISS as allowed under Section VII.C. of this policy.
- Sleep hours may be counted as ISS for staff who are required to sleep over and are on duty in close proximity and are available to respond immediately in person at all times.
- Stand-by or On Call for ISS employees who are required to carry pagers or otherwise be on call outside of their normal work hours. The maximum number of hours that may be counted as ISS are the accumulation of hours per shift for those occurrences from the time a call was received until the employee has been able to return to his/her previous activities, rounded up to the nearest hour.
- The division may request verification of hours (e.g., time sheets, etc.) for all staff for which ISS hours are claimed.

ISS Staff Compensation for reporting purposes on the annual cost report, includes:

-
- ISS staff salaries, wages, stipends and other compensation for staff that are designated as ISS, and prorated for those staff whose time is split between ISS and administrative functions;
 - Employer paid payroll taxes relating the actual allowable ISS hours worked; for proprietary contractors, the portion of the Business and Occupation (B & O) tax applicable to the revenue received for ISS reimbursement may be included as payroll tax.
 - Fringe benefits paid by the employer for ISS staff (prorated for those staff whose time is split between ISS and administrative functions);
 - Staff lodging paid by the contractor and as defined in this section; and
 - As provided for in Section VII.C.2. of this policy, compensation for the administrator time used performing ISS duties; for settlement purposes, compensation allowed at the benchmark compensation rate for contractors providing Supported Living (SL) services.

MA (Non-MSA) and MSA Counties: MSA means Metropolitan Statistical Area - A large population nucleus, together with adjacent communities that have a high degree of economic and social integration with that nucleus.

MSA: Metropolitan Statistical Area - Relatively freestanding MAs that are not closely associated with other MAs. These areas typically are surrounded by non-metropolitan counties.

A MSA must include at least:

- One city with 50,000 or more inhabitants, or
- A Census Bureau-defined urbanized area (of at least 50,000 inhabitants) and a total metropolitan population of at least 100,000.

For purposes of determining reimbursement rates as stated in this policy, Counties recognized as MSA counties in Washington are Asotin, Benton, Chelan, Clark, Cowlitz, Douglas, Franklin, Island, King, Kitsap, Mason, Pierce, Skagit, Snohomish, Spokane, Thurston, Whatcom and Yakima.

Note: King County is recognized as having unique characteristics relative to other MSA counties for purposes of determining reimbursement rates as stated in this policy.

Related Organization is either an entity, which is under common ownership, and/or control with, has control of, or is controlled by, the contractor. An entity is deemed to "control" another entity if one entity has a five (5) percent or greater ownership interest in the other; or if an entity

has the capacity (whether or not exercised) derived from a financial or other relationship to influence directly or indirectly the activities of the other.

Related Party is a spouse; natural parent, child or sibling; adopted child or adoptive parent; stepparent, stepchild, stepbrother, stepsister; father-in-law, mother-in-law, son-in-law, daughter-in-law; grandparent or grandchild; uncle, aunt, nephew, niece or cousin of the contractor.

Residential Services Program means a contractor's Group Home or Supported Living (SL) residential program providing services in accordance with Chapter 388-101 WAC and contract provisions.

Staff Lodging means SL programs that provide the primary residence for a staff person as a part of their compensation package and may include the cost of the residence as ISS cost for cost reporting purposes. Staff lodging does not include the cost of maintaining a residential unit for the use of overnight staff when it is not their primary residence. The reporting of staff lodging cost for this purpose must be consistent with Internal Revenue Service (IRS) rules for reporting housing to employees as income.

Supported Living (SL) is included within the meaning of residential services as described in Chapter 388-101 WAC and contract provisions.

POLICY

- A. Contractors shall report costs of operations for purposes of providing data to the division and to determine any settlements due.
- B. The division shall:
 - 1. Set standard rates for each cost center for programs covered within this policy;
 - 2. Describe allowable costs and specify the reporting requirements;
 - 3. Describe the rate setting methodology and principles that apply to programs;
 - 4. Describe the settlement process as it applies to residential programs;
 - 5. Describe the summer program requirements and payment procedures; and
 - 6. Provide information on billing and payment requirements and procedures.

PROCEDURES

I. REPORTING

A. Cost Reports

1. In order for a contractor to receive payments under the residential reimbursement system, the contractor must submit an annual DDD cost report covering the completed calendar year.
2. If a contractor terminates from the residential program, the former contractor shall submit a final annual report covering the period the contract was in effect during the calendar year. The final annual report shall be used for determining a settlement for the final period.

B. Due Date of Report

1. The cost report shall be submitted on or before March 31 of the year following the calendar year covered in the report.
2. Cost Report Extension Provisions
 - a. A thirty (30) day extension beyond the date specified above will be granted to contractors upon written notification to the Office of Rates Management that the additional time is required to complete the report. The notification shall include a brief explanation of the circumstances that require the extension. An approval from the department will not be required for this thirty (30) day extension.
 - b. The department, upon a written request setting forth reasons for the necessity of an extension beyond the thirty (30) day extension specified above, may grant an additional thirty (30) day extension for submitting the cost report. The request must be written and received by the Office of Rates Management prior to the due date as specified in 1. and 2.a. above. The Office of Rates Management will respond to this request within ten (10) working days from the date of receipt.

C. Completing Reports and Maintaining Records

1. Reports shall be completed in accordance with instructions provided by the department. If no specific instruction covers a situation, generally accepted accounting principles shall be followed.
2. The department may analyze the submitted cost report and financial statement of each contractor to determine if the information is correct, complete, and reported in conformance with generally accepted accounting principles and the requirements of this contract and those policies, rules and regulations referenced therein. If the analysis finds that the cost report or financial statements are incorrect or incomplete, the division may make adjustments to the reported information.
3. A schedule of adjustments shall be provided to contractors in writing and shall include an explanation for the adjustments and dollar amounts of the adjustments.
 - a. If a contractor disagrees with an adjustment made under this section, the contractor shall, in writing, identify specifically the grounds for his/her contention that the adjustment is erroneous and include any documentation that supports the contractor's position.
 - b. If the contractor wishes to challenge the division's determination of the contractor's contention from subsection a., the contractor may request an administrative review pursuant to Chapter 388-101 WAC and/or the dispute clause as described in the general terms and conditions of the contract.
4. Contractors shall submit a single cost report that includes all provider work orders and other business activities.
5. Facilities with joint residential program costs shall allocate and report shared costs to each residential program in accordance with allocation policies prescribed or approved by the department.
6. If a contractor fails to maintain records adequate for audit purposes or fails to allow inspection of such records by authorized personnel, the department may suspend all or part of subsequent payments due under the contract until compliance is forthcoming. Upon compliance, the department shall resume contract payments and shall release suspended payments pursuant to the contractor's contract.

7. Contractors shall maintain cost reports and records adequate for audit purposes. If, at the end of the contract retention period as specified in the work order, there are unresolved audit questions, the report will be retained until such questions are resolved.

D. Report Certification

1. Each required report shall be accompanied by a certification signed on behalf of the contractor responsible to the department during the report period. If the contractor files a federal income tax return, the certification shall be executed by the person normally signing this return. If the report is prepared by someone other than an employee of the contractor, a separate statement shall be included with the certification signed by the individual preparing the report and indicating his/her status with the contractor.
2. If a contractor knowingly files a report containing false information, such action constitutes cause for termination of the contractor's contract with the department. Contractors filing false reports may be referred for prosecution under applicable statutes.

E. Improperly Completed or Late Reports

1. An annual cost report must be completed in accordance with applicable department regulations and instructions. An annual cost report deficient in any of these respects may be returned in whole or in part to the contractor for proper completion.
2. If a report is not properly completed or is not received by the division on or before the due date of the report, including any approved extensions, all or a part of any payments due under the contract may be held by the department until the improperly completed or delinquent report is properly completed and received by the division.

II. REIMBURSABLE COSTS

A. Reimbursable Costs Definition

Reimbursable costs are documented costs that are necessary, ordinary and related to the provision of resident care, training and activities as prescribed in Chapter 388-101 WAC and contract.

B. Depreciable Assets

The following costs shall be reported as depreciable assets:

1. Expenditures for equipment, furnishings or vehicles with historical acquisition cost in excess of \$5,000 per unit and a useful life of more than one (1) year from the date of purchase;
2. Expenditures for equipment or furnishings with historical acquisition value of less than \$300 per unit if the item was acquired in a group purchase where the total acquisition cost exceeded \$5,000 and has a useful life of more than one (1) year from the date of purchase;
3. Expenditures for building, land and/or leasehold improvements which are in excess of \$5,000 and which extend the useful life of the asset; and
4. Expenditures for assets as described above with historical acquisition value less than \$5,000 may be reported as depreciable assets, or expensed in the year they were purchased.

C. Equipment and Building Expenses

The following costs shall be reported as expenses:

1. Those expenditures for equipment, furnishings, or building, land, or leasehold improvements not subject to classification as a depreciable asset; and
2. Repairs (damages) or maintenance (upkeep) costs that do not extend the useful life or increase the value of the building, equipment, furnishings or vehicles.

D. Reporting Depreciable Assets

1. Depreciable assets may include the following:
 - a. Building - The basic structure or shell and additions.
 - b. Fixed Equipment - Attachments to the building such as wiring, plumbing, and heating system.

-
- c. Movable Equipment - Such items as furnishings, beds, stoves, refrigerators, silverware, and dishes.
 - d. Vehicles - Such items as automobiles or vans used to transport residents to activities, training, or work.
 - e. Land Improvements - Such items as paving, on-site sewer and water lines, parking areas, shrubbery, fences, government assets, etc., where replacement is the responsibility of the group home.
 - f. Leasehold Improvement - Improvements and additions made by the lessee (contractor) to the leased property, which become the property of the lessor after the expiration of the lease.
2. Land is not a depreciable asset. Land includes the cost of such items as off-site sewer and water lines, the cost of permanent roadways, curbs and sidewalks, and utility hookups.
 3. Depreciable assets shall be reported as follows:
 - a. The base used to calculate depreciation shall be:
 - (i) The historical cost to the contractor in acquiring the asset or capitalized expense from an unrelated organization less the estimated salvage value, if any; or
 - (ii) The fair market value of the donated or inherited asset or asset purchased with restricted donation at the time of donation or death less goodwill and salvage value, if any; or
 - (iii) Assets or capitalized expenses acquired from a related organization, which shall not exceed the lower of cost to the related organization or the cost of comparable assets purchased elsewhere.
 - b. The lives used to calculate depreciation expenses shall be:
 - (i) Building - Not less than thirty (30) years.
 - (ii) Building Improvements - The remaining useful life of the building as modified by the improvement.

- (iii) Other Assets - Lives no shorter than guideline lives published by the IRS or by the American Hospital Association.
 - (iv) Lives shall be measured from the date of the most recent arm's-length acquisition of the asset.
 - c. The depreciation expense methodology used shall be acceptable by generally accepted accounting principles, and the IRS methodology for the asset class being depreciated.
 - d. Changes in depreciation methodology during the life of the asset must be disclosed on the annual cost report.
- E. Interest
 - 1. Interest is defined as necessary and ordinary interest for working capital and capital indebtedness, which must be incurred for a financial need related to resident care, training, and activities.
 - 2. Interest cost shall be at a rate not in excess of what a prudent borrower would have to pay at the time of the loan in an arm's-length transaction in the financial market.
 - 3. Interest paid to a related organization shall not be reported in excess of the cost to the related organization of obtaining the use of the funds.
- F. Donations and Contributions
 - 1. Donations or contributions are classified as:
 - a. Restricted - Grants, gifts, income from endowments in the form of purchasing power which must be used only for specific purposes designated by the donor. Items whose nature restricts its use, such as food, supplies, equipment, vehicles or building space.
 - b. Unrestricted - Grants, gifts, and income from endowments in the form of cash or purchasing power given to the facility without restriction by the donor.
 - c. Volunteer time and donated consultant time.

2. Donations or contributions are reported as follows:
 - a. The value of a restricted donation/contribution shall not be reported as an expense on the cost report.
 - b. The value of an unrestricted donation/contribution shall be reported in the expense account for which it was used through the provider's normal recording of transactions.
 - c. The value of the volunteer/donated time shall not be reported as an expense on the cost report.

G. Related Organization/Party Costs

1. Costs of services, facilities, and supplies furnished by related organizations to the contractor shall be reported at the lower of the costs to the related organization or the price of comparable services, facilities or supplies purchased elsewhere.
2. The cost of a related party lease shall be reported based on the lower of actual ownership cost (interest, depreciation, taxes, and insurance) to the related party or the arm's-length lease to the related party.

H. Joint Program Costs

1. Joint program costs are defined as expenses benefiting more than one program, or one program and any other entity.
2. Costs shall be allocated in accordance with cost reporting instructions.

I. Transportation Costs

1. Transportation costs are defined as:
 - a. Ordinary and necessary transportation of clients for training and activities.
 - b. Ordinary and necessary transportation of employees for facility administration and operation.

-
- c. Ordinary and necessary travel of employees for in-service training and education.
 2. The following costs shall be reported:
 - a. The costs of operating vehicles limited to automobiles, vans, pickup trucks or buses that are used for the purposes defined in this section, including maintenance, repairs and operation. A mileage log shall be maintained detailing the usage of each vehicle not used one hundred (100) percent for the purposes defined in this section.
 - b. The costs of public transportation for clients, volunteers and staff, which are for the purposes defined in this section.
 - c. The costs of mileage reimbursement of employees and volunteers using their personal vehicle for actual mileage for the purposes defined in this section.
 - d. Commuting between an employee's residence and their primary place of employment shall not be included as transportation. If a vehicle is used by any staff for travel that is not defined above, these shall be fringe benefit costs for that employee.
 3. The contractor shall not seek or accept additional compensation from or on behalf of a client for any or all contracted residential services except:
 - a. The provider shall notify DDD in writing when the client contributes toward his/her costs for transportation.
 - b. Costs incurred by the contractor associated with this provision are unallowable costs and shall not be reported on the annual cost report.
 - J. Instruction and Support Services
 1. Total compensation for performance of ISS duties by an owner or related party shall be reported as ordinary compensation for necessary services actually performed.
 2. Compensation is ordinary when it is equal to or lower than the amount usually paid to an unrelated employee for comparable services within the same, or a comparable program.

3. A service is necessary if it would have had to be performed by another person if the owner or related party had not performed it.

K. Fringe Benefits

Fringe benefits provided at the employer's expense may include sick leave, health insurance, paid vacation, holiday pay, retirement plan, as well as other benefits, to all employees who qualify.

III. RATE SETTING PRINCIPLES/PROCEDURES

A. Rate Setting Principles

1. Rates established under the provisions of this contract shall be only for Supported Living or Group Home programs holding applicable state licenses and certified to provide residential services in accordance with applicable state laws, regulations, and contract provisions.
2. Rates shall be set prospectively.
3. Rates are payments for costs that are necessary, ordinary, and related to the provision of residential program instruction and support as prescribed in Chapter 388-101 WAC and the residential services contract.
4. Rates shall be set in accordance with state legislative appropriation.
5. Rates shall be the contractor's maximum compensation within each cost center.

B. Rate Setting Procedures

1. For clients newly referred for Supported Living services, or transferring from another Supported Living provider.

Indirect Client Support/Administrative rates for all non-ISS cost components except for those listed in 1. a - c below, are standardized. The ISS hours per client day, including any professional service hours, e.g., nurses, are used to determine the administrative rate (see Administrative Rate Table, Attachment C). The rates for the following indirect client support cost components are not included in the Administrative Rate Table, and are calculated as described below.

- a. Housing costs for overnight coverage models (not part of ISS staff compensation): For programs that have these costs, the rate will be calculated on actual expected costs. An itemized budget sufficient to determine anticipated cost attributable to individual clients will be required for review and approval by DDD.
 - b. Transportation Costs: The transportation assessment (Attachment D) will be used to predict the transportation cost for each client and provide the corresponding rate.
 - c. Maintenance and Repair of Client's Housing: A rate may be established to compensate for expenses incurred if a client has behaviors that may cause frequent (e.g. weekly or more often) damage to their home. Rates established for this purpose are unique situations and are subject to review and approval by DDD.
2. For clients that are in the Supported Living program as of September 1, 2005, the Indirect Client Support/Administrative rate will remain unchanged from the rate in existence on August 31, 2005 except as noted below:
 - a. For those providers whose weighted average¹ administrative rate is farthest below the median, the rates that are the lowest shall be increased toward the median² rate (per Administrative Rate Table, Attachment C). The total funding available for this purpose consists of the portion of the Vendor Rate Increase applicable to the administrative portion of the Supported Living Rate and a special appropriation by the legislature for the purpose of raising administrative rates for those providers with administrative rates farthest below the median of all Supported Living providers. During the 2005-07 Biennium, administrative rates for other Supported Living clients will not be impacted.
 - b. That portion of the Indirect Client Support/Administrative rate that is attributed to Client Transportation, Housing Cost for Overnight Coverage, and Maintenance and Repair of client housing may be

¹ The Weighted Average Administrative rate is derived by calculating an agency's current daily administrative rate revenue ((sum of the number of clients @ each current administrative rate) divided by the total number of clients) e.g., $(4 * \$25.00 + 3 * \$40 + 5 * \$30) = \$370 / 12 \text{ clients} = \$30.83 = \text{Weighted Average Administrative Rate}$.

² The weighted average as described in ¹ above is then compared to the median rate which is the calculated weighted average rate that the agency would have if all administrative rates were determined from the Administrative Rate Tables (the sum of the number of clients at each ISS hour increment times the administrative rate per the rate table divided by the total number of clients); e.g., $(4 * \$28.14 + 3 * \$38.80 + 5 * \$36.85) = \$413.21 / 12 \text{ clients} = \$34.43 = \text{Median Rate per Administrative Rate Tables}$.

reviewed and adjusted as necessary to reflect anticipated necessary and reasonable costs for these cost components.

c. For purposes of this section, a provider that provides services in multiple regions is considered a separate provider in each region.

3. The Regional Administrator or designee will inform a contractor of the disposition of a rate proposal within thirty (30) days after receipt of the proposal and of any documentation necessary to support the proposal. The department's response to the request will be in writing.

C. Vendor Rate Adjustments

Rates may be adjusted in accordance with state legislative appropriation as described herein.

D. Reimbursement Cost Centers

A contractor's rate shall consist of the following cost centers:

1. Instruction and Support Service Cost Center; and
2. Indirect Client Support/Administrative, Cost Center.

E. Instruction and Support Service Cost Center Rate

1. The ISS cost center rate will reimburse for salaries, wages, fringe benefits, and payroll taxes related to instruction and support staff (see Definitions section for ISS staff included). Payroll taxes for purposes of this section shall include the amount of B & O tax expense incurred by the agency for the reporting period that is applicable to the revenue received from the department relating to ISS cost center reimbursement.

2. Establishing the ISS cost center rate for residential services programs:

a. The residential services program ISS number of hours per client day are determined in order to be in compliance with the provisions of Chapter 388-101 WAC, the division's program objectives and individual client needs.

b. For establishing instruction and support service cost center rates, one of three compensation rates will be utilized for instruction and

support staff. The ISS compensation rate shall be applicable to the county (MSA, Non-MSA or King) in which the clients are served and shall be based upon state legislative appropriation. Exceptions to the single rate may be made when professional/licensed staff are utilized.

- c. For rates effective July 1, 2005 in:
 - (i) Non-MSA counties, the ISS compensation rate shall be \$14.27 per hour for salaries, wages, payroll taxes, and fringe benefits.
 - (ii) MSA counties, the ISS compensation rate shall be \$14.55 per hour for salaries, wages, payroll taxes, and fringe benefits.
 - (iii) King county, the ISS compensation rate shall be \$14.83 per hour for salaries, wages, payroll taxes, and fringe benefits.

- d. For rates effective July 1, 2006 in:
 - (i) Non-MSA counties, the ISS compensation rate shall be \$14.41 per hour for salaries, wages, payroll taxes, and fringe benefits.
 - (ii) MSA counties, the ISS compensation rate shall be \$14.70 per hour for salaries, wages, payroll taxes, and fringe benefits.
 - (iii) King county, the ISS compensation rate shall be \$14.98 per hour for salaries, wages, payroll taxes, and fringe benefits.

F. Indirect Client Support/Administrative Cost Center Rates

- 1. Each agency operating a residential program shall have a designated administrator (WAC 388-101).
- 2. The Indirect Client Support/Administrative, cost center rate will reimburse for administrative staff and general management including but not limited to, corporate fees and allocated costs, accounting and bookkeeping; required transportation not otherwise reimbursed; maintenance supplies and purchased services;

housekeeping supplies and purchased services; food and dietary supplies; utilities, insurance and taxes; and, lease, interest and depreciation costs related to reimbursable assets used in the residential program.

3. Group Home Programs Specific

- a. The administrative staff and non-staff cost center rate consists of two components: an administrative staff rate component and a non-staff rate component.
- (i) The administrative staff rate component is described as follows:
- (a) The administrative staff portion of the rate is for salaries, wages, fringe benefits and payroll taxes related to administrative staff. (See Definitions section for a definition of administrative staff.)
- (b) For establishing the administrative staff rate component, a group home will be assigned administrative staff hours per resident day specified in Attachment B *Group Home Staffing Standards*. The assignment will be based upon the number of beds specified in the group home's contract.
- (c) For establishing the administrative staff rate component, one of three compensation rates will be utilized. The administrative rate shall be set at 133 percent of the ISS staff benchmark rate. Administrative compensation rates shall be based upon state legislative appropriation.
- (ii) The non-staff rate component is described as follows:
- (a) The non-staff portion of the rate is to provide for those non-staff costs incurred by the program that are not directly client related.
- (b) Non-staff rates are non-standard and are based on the unique non-staff cost factors associated with providing service to a particular group of clients.

- (c) The DDD Regional Administrator or designee approves these non-standard rates.
- (iii) A group home's administrative staff and non-staff cost center rate is the sum of the rate components determined in subsections (a) and (b).

IV. RATE ADJUSTMENTS

A. Adjustments

1. Rates may be adjusted for changes in staffing in order to be in compliance with the provisions of Chapter 388-101 WAC, the residential program contract, and/or program policies.
2. When ISS hours are adjusted for clients in service during the 2005-2007 contract period, the agency's weighted average administrative rate will not decrease, nor will the agency's weighted average administrative rate increase above the median rate.

B. Request Procedure

1. A contractor may request an adjustment to his/her current rate at any time.
2. Each request must be in writing and must include a detailed proposal for staff changes and the factors requiring a change in current staffing.
3. The Regional Administrator or designee will inform a contractor of the disposition of a rate proposal within thirty (30) days after receipt of the request and of any documentation necessary to support the request. The department's response to the request will be in writing.

V. NOTIFICATION

A. Rate Notification Requirements and Effective Dates

1. The department will notify each contractor in writing of his/her reimbursement rate.
2. The department will issue a rate notification document, which identifies the rate setting methodology and the factors used in establishing rates.

3. Unless otherwise specified in the notification, rate adjustments resulting from a contractor request shall be effective the first day of the month in which the rate is issued.

B. Public Review and Disclosure

1. The department will provide all interested members of the public with an opportunity to review and comment on proposed rate setting methodology.
2. The department will make information regarding the department's rate setting methodology and rates available to the public.

VI. CLIENT-SPECIFIC RESIDENTIAL STAFF ADD-ON

A. Procedures

1. A client-specific staff add-on may be authorized whenever a client's safety and well-being are seriously threatened and/or when a client is at risk of losing residential support services or being admitted to an institution due to unusual emergency or non-emergency circumstances.
2. A contractor requesting staff add-on hours shall, upon request, submit written documentation to the DDD region that demonstrates the contractor has used, or will use, all of the ISS hours included in his/her residential services contract.

B. Authorization

1. The contractor shall request staff add-on authorization from the specific resident's case resource manager (CRM). In emergency situations, the original request may be verbal but shall be followed up in writing on the next working day. In non-emergency situations, the request shall be submitted in writing prior to approval. The request will include documentation of circumstances and justification of need.
2. The contractor shall submit the request for a residential staff add-on to DDD. The CRM, his/her supervisor, and responsible regional resource manager shall evaluate the need for the staff add-on.
3. If after discussion with the contractor, a viable alternative is not identified, the resource manager will forward the vendor's request, including the

contractor's documentation of the circumstances, and a recommendation for approval or disapproval to the Regional Administrator or designee. If approved, the staff add-on will be authorized through the standard SSPS process.

4. A staff add-on is intended to be a temporary arrangement for a period of time up to three (3) months. The Field Services Administrator may authorize extensions based on CRM/supervisor review and recommendation for number of hours and duration.

C. Reimbursement

Reimbursement for staff add-ons will be for the number of additional staff hours authorized and actually used by the service provider and will be at the current rate for individual ISS.

D. Settlement

Staff add-on reimbursements will be subject to the settlement provisions of this policy.

VII. SETTLEMENT

A. Settlement Definition

1. The settlement shall be for under utilization of contracted and paid service hours and dollars in the instruction and support service cost center. The settlement shall also correct for billing or payment errors.
2. Settlements shall be based on department payment system(s) reports, the contractor's financial reports, and/or other department-specified reports or documents.
3. The provisions of section VII will apply to the settlement calculation for the entire calendar year in which the contract becomes effective.

B. Settlement Determination

The contractor shall refund the greater of:

1. All amounts of ISS cost center rate reimbursement in excess of the allowable instruction and support service costs as defined in this policy,

and as reported in the contractor's annual cost report and/or department-specified documents.

2. The total annual reimbursed hours for ISS and professional/licensed staff minus actual total annual paid hours worked as reported in the facility's annual cost report and/or department-specified documents, multiplied by the weighted average reimbursement wage rate for ISS staff in effect during the settlement period.
3. When submitting a cost report that includes a settlement, a contractor that has had extraordinary ISS costs during the year may request to apply those extraordinary costs toward the settlement. The agency making the request may submit narrative justification and a breakdown of associated costs to enable the division to analyze the request.

C. Administrative Staff Hours Counted as ISS for Settlement Purposes

1. Group Home (GH) program administrators may provide ISS hours.
2. Supported Living (SL) and Combined Programs (Group Home and Supported Living):
 - a. For residential services programs that have twenty (20) or fewer FTE employees that support clients during the settlement period, settlements may include the program administrator's hours worked in an ISS staff capacity. The cost that may be applied in the settlement computation is the total hours worked as ISS staff multiplied by the benchmark compensation rate in effect during the period that the hours were worked.
 - b. For residential services programs that have more than twenty (20) FTE employees that support clients during the settlement period, settlements may not include administrator's hours worked in an ISS staff capacity in their settlement computation.
 - c. The hourly rate allowed for the administrator's cost shall not exceed the contractor's instruction and support staff compensation rate as specified in the contractor's contract and rate notification.
 - d. An exception to item "b" above may be requested by any contractor. A copy of the approved exception to policy must

accompany the annual cost report if the administrative hours are reported as ISS for settlement purposes.

D. Programs Combined for Settlement

1. Contractors that have contracts with the division for the operation of multiple residential programs may collapse those contracts into a single contract for any combination of group home and supported living programs. The single contract will identify the type(s) of residential program(s) and all applicable rates.
2. Programs combined under a single contract will be treated as a single entity for purposes of the settlement provisions of this policy. The contractor may combine the total reimbursement for ISS hours and compensation amounts subject to settlement per the contract, and the combined total of paid ISS hours and compensation into a single settlement calculation.

E. Cost Shifts

Contracts that have Indirect Client Support/Administrative cost center costs greater than their Indirect Client Support/Administrative cost center reimbursement may submit a request to shift the excess cost to reduce a settlement for the period. All cost shifts are subject to approval of the Regional Administrator, whose decision may be appealed to the division director.

1. Indirect Client Support/Administrative cost center costs will not include that portion of the program administrator's hours and compensation that may be charged against the ISS cost component under the provisions of this policy.
2. For purposes of this section, allowable administrative costs including administrative staff salaries or other compensation (excluding payroll taxes and health benefits) shall not exceed six (6) percent over the level reported in the provider's cost report, adjusted for increases in capacity from the previous year. If market conditions cause an increase in administrative costs exceeding six (6) percent from the previous year, the costs and conditions may be documented by the provider and will be considered by the division.
3. It is recommended that the agency requesting a cost shift submit relevant documentation to enable the division to analyze the request.

4. The division may request additional information and documentation it deems necessary from the contractor to evaluate the Indirect Client Support/Administrative loss cost shift request.

An Indirect Client Support/Administrative Loss Cost Shift request resulting from ISS hours not provided shall be reviewed with the assistance of the central office Rates and Reimbursement section. The Regional Administrator or designee may examine the provider's records as necessary to assess the reasonableness of the proposed cost shift.

F. Settlement Process

The division will determine a settlement amount for each calendar year.

1. The contractor shall pay a settlement overpayment amount, or shall commence repayment in accordance with a schedule determined by the department, within thirty (30) days after receiving departmental notification of the overpayment amount. If a settlement determination is contested, the contractor shall pay or commence repayment within thirty (30) days after such proceedings are concluded.
2. The department will pay any amount due the contractor as a result of errors in billing or payment disclosed on the settlement within thirty (30) days after issuance of departmental notification of the amount due the contractor.
3. If the contractor does not refund the overpayment or any installment when due, or after the final decision from any administrative or judicial remedy sought by the contractor regarding the amount due, the department may withhold payments from current billings until the overpayment is refunded.
4. A proposed settlement may be revised by the department on the basis of audit findings or DDD certification evaluation findings.

G. Optional Two-Year Settlement Process

1. Effective January 1, 2005 the contractor may elect to have an optional two (2) year settlement. These settlements shall allow a collaborative process in order to minimize settlements due.

- 2 Providers will indicate on their first year cost report whether or not they wish to participate in the optional two (2) year settlement process. Providers may initiate the planning process with the region during the first year if preliminary data indicates that a settlement will materialize.
- 3 Information derived from the first year's cost report will be used to develop a joint plan for use of the unspent ISS dollars to be followed during the second year of the settlement period. These funds will be used to increase service capacity or extend services to additional people. Funds retained through this process would be expended on direct supports rather than agency administration costs.
- 4 A joint plan will be produced by June 15th of the second settlement year. If no plan is agreed upon by this date, the first year settlement amount is due according to the provisions of the previous settlement section.

VIII. SUPPLEMENTAL PAYMENTS

A. Supported Living Client Evaluation

1. If the division refers a client to the Supported Living program and additional costs are incurred by the program in order to ascertain whether or not to accept the referred client, the division may reimburse the contractor for these additional costs.
2. The division may reimburse the contractor \$20.00 per hour the additional costs associated with the referral as negotiated with the Regional Administrator or designee.
3. The contractor must obtain prior authorization by submitting a written request for payment to the division's Field Services office. If the request is approved, the Field Services office will issue written notification authorizing payment.

B. Summer Program

1. DDD may provide summer program funding for clients through age 21 who are in division-contracted residential programs, currently enrolled in school, and whose local public schools do not offer summer programs. The division may make funding available for this program, to the extent funds are available for such purposes in the division's biennial

appropriation. The summer program funded by the division is not to be interpreted as a substitute for the programs offered by the contractor during evening and weekend hours.

2. Residential program contractors who serve students may develop a summer program plan and budget, using a format approved by the division (see Attachment A), for each eligible person based on the individual's needs, available community resources, and funding. The contractor will submit the proposed plan to the regional office for approval.
3. The regional office will notify the contractor in writing of the approval and the amount to be authorized. Unless a special fee-for-service rate has been approved in writing by the Regional Administrator, payment to the contractor will be at the standard fee-for-service (see Attachment A, "Summer Program Request). Summer program payments will be authorized and paid through the DSHS Social Service Payment System (SSPS).
4. The contractor's expenditure of funds received through this supplemental payment will be limited to the purchase of the following services and/or materials: summer program fees (e.g., park, swimming pools, etc.), and transportation, staff and supplies (equipment costing \$1,000 or more and having a useful life of more than one (1) year may not be purchased). All ISS hours and related costs funded through summer program supplemental payments are not to be reported by the contractor as a reimbursable expense and are not subject to settlement provisions.

C. Tuition Reimbursement For Group Home Contractors

1. The division may reimburse Group Home contractors for the cost of tuition incurred to provide mandated training for ISS staff.
2. Nurse delegation costs may be authorized when it is necessary to train ISS staff to act as nursing assistants under the nurse delegation act, whether or not the contractor employs or contracts with professional/licensed staff.

IX. BILLING AND PAYMENT

A. Billing Procedure

1. A contractor shall bill the department each month by completing and returning the service invoice provided by the department. The service

invoice shall be completed and submitted in accordance with instructions issued by the department.

2. A contractor shall not bill the department for services provided to a resident until a department authorization form relating to the resident has been received. At that time the contractor may bill for provided services retroactive to the date the resident was admitted or became eligible.

B. Vacancy Payments for Group Homes

1. Condition For Reimbursement of Program Vacancies

The division shall reimburse a contractor for program vacancies resulting from:

- a. Client movements from the group home, including trial and permanent placements that are authorized by the division;

Note: Group home social and medical leaves are reimbursed pursuant to DDD Policy 6.12, *Residential Reporting Requirements, Including Abuse/Neglect Reporting*.

- b. Participating client terminations from the program that are authorized by the division;
- c. Emergencies wherein a group home client or participating tenant leaves the contractor's program without prior notification to the division; and
- d. A written schedule approved by the appropriate Regional Administrator or designee for the initial phase-in for client placements for new program contractors.

2. Approval for Payment

When there is a potential paid vacancy, the division shall consider with the provider whether a paid vacancy, rate redistribution or downsizing is most appropriate. When filling a vacancy is approved, approval for program vacancies shall be as follows:

-
- a. Payment for vacancies must be approved in writing by the Regional Administrator. The written approval shall be sent to the contractor.
 - b. Payment for each authorized vacancy shall not exceed 31 days.
 - c. Payment for vacancies may be re-approved by the Regional Administrator or designee for a period not to exceed 31 days. Each reapproved vacancy authorization shall not exceed 31 days.
 - d. Each vacancy authorization may be approved for a maximum of three (3) months. Vacancy authorizations beyond three (3) months may be approved by exception by the Regional Administrator.
3. Payment for program vacancies shall be as follows:
 - a. The contractor shall be reimbursed for authorized vacancies at the rate paid to the contractor for authorized clients.
 - b. Payment for authorized vacancies shall begin the last day that a terminated client was authorized for the program. Payment for authorized vacancies shall end the day before a new client is authorized for the program, or the ending date of the authorized vacancy.
 - c. Payment for authorized vacancies for the phase-in of clients for a new program contractor shall begin with the first day that the first client moves into the program and shall continue pursuant to the approved written schedule.
- C. Charges to Clients
1. The department will notify a contractor of the amount each group home client is required to pay for care provided under the contract and the effective date of such required contribution. It is the contractor's responsibility to collect the authorized cost of care from the client.
 2. If a contractor receives documentation showing a change in the income or resources of a group home client that will mean a change in his/her contribution toward the cost of care, this shall be reported in writing to the DDD regional office within 72 hours. If necessary, appropriate

corrections shall be made in the next monthly billing, and a copy of documentation supporting the change shall be attached.

3. The contractor shall accept the reimbursement rate established by the department as full compensation for all services under the contract. The contractor shall not seek or accept additional compensation from or on behalf of a client for any or all contracted residential services. The Regional Administrator or designee may grant exceptions to this policy based on assessment of individual client resources and needs, whereby individual clients may contribute toward or provide for their individual transportation costs. This request for exception and the approval shall be in writing.

D. Cost of Care Adjustment for Supported Living Programs

1. The cost of care adjustment applies to existing or new supported living programs.
2. The cost of care adjustment may not exceed the cost of care per client when the program is operating at full capacity.
3. A cost of care adjustment may be authorized under the following circumstances:
 - a. As part of a resident “phase-in” process when a new program is being developed or an existing program is being expanded;
 - b. In an existing supported living program when a client shares support hours with other clients and moves out, either permanently or temporarily, and there is no other client available to move in immediately, or the client’s home must be maintained until his/her return. When there is a potential cost of care adjustment, the division shall consider with the provider whether a cost of care adjustment, rate redistribution or downsizing is most appropriate.
4. The contractor will submit an application for the cost of care adjustment using DSHS Form 06-124, *Cost of Care Adjustment Request*.
5. Each cost of care adjustment authorization may be approved for a maximum of three (3) months. Cost of care adjustments beyond three (3) months may be approved by exception by the Regional Administrator.

Special consideration will be given to agencies in which no referral has been made within the three (3) months.

E. Payment

1. The department will reimburse a contractor for services rendered under the residential services contract and billed in accordance with department instructions.
2. The amount paid will be computed using the appropriate rate assigned to the contractor.
3. For each Group Home client, the department will pay an amount equal to the appropriate rate(s), multiplied by the number of authorized and provided days of service each rate was in effect, less the amount the client is required to pay for his/her care.
4. For each Supported Living client, the department will pay an amount equal to the appropriate rate(s), multiplied by the number of authorized and provided days of service each rate was in effect.

F. Suspension of Payment

1. Payments to a contractor may be withheld by the department in each of the following circumstances:
 - a. A required report is not properly completed and filed by the contractor within the appropriate time period, including any approved extensions. Payments will be released as soon as a properly completed report is received.
 - b. Auditors or other authorized department personnel in the course of his/her duties are refused access to the residential services program or are not provided with existing appropriate records. Payments will be released as soon as such access or records are provided.
 - c. A refund in connection with an annual settlement or rate adjustment is not paid by the contractor when due. The amount withheld will be limited to the unpaid amount of the refund.

- d. Payment for the final thirty (30) days of service under a contract will be held pending final settlement when the contract is terminated.
2. No payment will be withheld until written notification of the suspension is given to the contractor, stating the reason therefore.

EXCEPTIONS

Exceptions to this policy may be approved by the Division Director, based upon information submitted on DSHS Form 05-010, Rule Exception Request.

SUMMER PROGRAM REQUEST

General Instructions: Certified agencies providing residential services to school-age clients of the Division of Developmental Disabilities may apply for financial assistance from the division to support summer program activities when local school programs do not operate. In making a request for supplemental payment, the contractor should complete the following application and submit it to the Regional Residential Resource Manager.

Agency Name: _____
Mailing Address: _____
Administrator: _____
Anticipated Program Start Date: _____ End Date: _____
Number of School-Aged Persons to Participate: _____

SUMMER PROGRAM BUDGET

A. Request for standard fee-for-service rate of \$281.62 per person:
_____ No. of persons x _____ No. of months (max. of 3) x \$844.86 =
\$ _____ TOTAL FUNDS REQUESTED.

B. Request for special fee-for-service: Complete this budget plan:
Additional staff hours needed _____ x benchmark rate _____
Public/purchased transportation _____
Staff mileage reimbursement _____
Vehicle operations _____
Summer program supplies _____
Activity/admission fees _____
Other (specify) _____

TOTAL FUNDS REQUESTED \$ _____

=====FOR REGIONAL USE ONLY=====
