**What is BFET?**

Additional information on the type of services and benefits is located on [the BFET public website. www.dshs.wa.gov/bfet](http://www.dshs.wa.gov/bfet)

### **Who can receive BFET services?**

Most clients who receive federally funded Basic Food (SNAP) and are at least 16 years old can receive BFET services. Even clients with college education may benefit from retraining or job search services.

### **How can BFET help pay for college?**

BFET students should utilize other forms of funding for tuition whenever possible.

~~Typically~~Typically, all students who attempt to enroll into BFET will be asked by the college to apply for Federal Student Aid (FAFSA) as part of the enrollment process for BFET.

### **Who can't receive BFET services?**

Clients receiving the following programs:

- Temporary Assistance for Needy Families (TANF);
- State Food Assistance Program (FAP);
- LEP Pathway;
- Refugee Cash Assistance (RCA)\*; or
- Career Ladder for Educated and vocationally Experienced Refugees (CLEVER)

\* RCA recipients are not eligible for BFET, however there is one exception. In counties where there are no LEP Pathway providers, RCA recipients may receive BFET services from community colleges. RCA recipients may not receive services from college providers in counties in which there is at least one LEP Pathway provider, although exceptions may be made under extenuating circumstances. Extenuating circumstances may include limited provider capacity, distance from the provider, and/or client request for a particular provider.

BA (Bachelor of Arts or Science) educational degrees, also known as four year degrees are **not eligible** through the BFET program so clients seeking these degrees should not be referred to BFET.

NOTE:

There are clients categorized as called Able-Bodied Adults without Dependents (ABAWD) who

do have additional work requirements in order to stay eligible for Basic Food benefits. BFET is an option to fulfill this ~~requirement, but requirement, though-but~~ is not mandatory. -To learn more about ABAWDs please see <https://www.dshs.wa.gov/esa-1>

Refer to [WAC 388-482-0005](#) for student eligibility. BFET recipients who are college students are typically eligible students (pending other Basic Food eligibility factors).
