SUMMARY OF PROJECT AND REQUIREMENTS

1. Purpose

The Washington State Department of Social and Health Services (DSHS), Division of Disability Determination Services (DDDS) is issuing this Request for Qualifications (RFQ). The purpose of this RFQ is to expand the list of qualified physicians and psychologists to provide specialized medical consultation services to DDDS adjudicator staff and others who make disability determinations on behalf of the Social Security Administration.

2. Background

The DDDS adjudicates claims for Social Security Disability Insurance (SSDI), Supplemental Security Income (SSI), and the DSHS Non-Grant Medical Assistance (NGMA) programs. Medical or psychological consultation and expertise may be needed to document the specific impairments and to determine severity as required by Social Security disability regulations.

3. Project Scope

This RFQ seeks responses from medical specialties to perform consultation services in our Federal Way, Spokane, and Tumwater offices. Consultation services include the evaluation of physical impairment severity from medical records and other reports, utilizing Social Security regulations and rules of law. - j. Have received at least two (2) years of post-medical graduate school training or experience in the appropriate medical specialty; and
