**Agency:** Department of Social and Health Services' Developmental Disabilities Administration

**Emergency Rules**

- Immediately upon filing.
- Later (specify) December 10, 2024

**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

- Yes  No If Yes, explain:

**Purpose:** DDA is adopting new sections of rule on an emergency basis to implement Engrossed Second Substitute Senate Bill 5440 (2023), which directs DSHS to develop a process for connecting individuals who have been found not competent to stand trial due to an intellectual or developmental disability to available wraparound services and supports in community-based settings.

**Citation of rules affected by this order:**

Suspended:

**Statutory authority for adoption:** RCW 34.05.350(1)(a)

**Other authority:** RCW 10.77.060 (See ESSSB 5440)

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** Enacting these rules on an emergency basis is necessary in order to implement the program established under ESSSB 5440, which is intended for people in need of immediate support after being deemed incompetent or nonreformable in order to inform those individuals of services available and ensure preservation of their health and safety by providing necessary services as quickly as possible. This is the fourth emergency filing on these sections and is necessary to keep the rules enacted until DDA can complete the permanent rulemaking process. DDA is progressing through the permanent process and plans to repeat external review because many new sections have been added, making the rules substantively different from the first external review. This fourth emergency filing is also substantively different from the third emergency filing.
